Designer: Stéphanie Coutas. **Company:** SC Edition, Paris, France. Comprising a team of architects, decorators and designers with residential projects around the world. Stéphanie also designs furniture pieces and lighting exhibited in her Parisian gallery, she also designs and collaborates for internationally established brands such as Baccarat, THG Paris and Tai Ping. Recent work includes a 19th century manor house outside of Paris, a bohemian villa in Saint Tropez and an apartment in Monte Carlo. Current projects include a grand villa next to Monaco, multiple residences in Paris, one of which is a hotel particulier with a garden, and another with a view over the Eiffel Tower, as well as two new villas in Saint Tropez, one with a private vineyard. **Design philosophy:** plush, yet modern with bohemian spirit, blending French savoir fair with unparalleled craftsmanship.
