Sierra Single Sunbed

Introducing Sierra: the pinnacle of outdoor luxury for your hotel. Crafted with natural fabrics and diverse colored woods, Sierra sunbeds offer durability and timeless style. Elevate your outdoor spaces with these meticulously crafted pieces, providing guests with unparalleled comfort and sophistication.

A photograph of a modern outdoor lounge area. In the center is a double sunbed with a white cushion and a dark grey frame, featuring a bamboo-style base. It is adorned with four teal-colored pillows and two folded teal towels. To the right of the sunbed is a small, dark metal side table with a few books on it. The furniture is situated on a wooden deck that borders a swimming pool. The background is a lush green wall of climbing plants, with two large, light-colored ceramic planters. A wooden pergola structure is visible above the deck. The overall scene is bright and inviting, suggesting a relaxing outdoor environment.

STEPHANIE COUTAS
COLLECTIONS

I wanted my first outdoor collection to reflect a natural yet sophisticated feel...

Burnt Wood in a bamboo pattern and ropes tangled together to give a joyful touch of brutalism, in opposition with the extra comfort of the sitting, proposed with all the technical requirement and quality of the Sunbrella fabrics expertise.

I hope this collection will find its way on beautiful beaches, areas pools and yachts throughout the world.
